You Can't Get There

(from here)

Riding

A dead elephant.

Every world citizen

Hates it(terrorism).

Ask the Iraqi,

Syrian,

Israeli_____

The list is endless,

Also the graves.

Those who went

To a wedding day

Expecting joy,
Love, a new life_____

Found

Only Death waiting
In the back room
Dressed in explosives.
It seems all terrorist
Worship the same god
In the same way.

Building

(arab palestine)

Peace

Made America

A great nation_____

Cannot peace
Be the path
For Arab Palestine?
Surely terrorism
Has failed____
(for the Arab world
for 1,400 years)!
Sign a treaty
With Israel
For a seven year peace.
Have Israel,
The whole world
On your side!

America's greatness

Came with honest labor____
Cannot the Arabs
Of Palestine
Do as much?

You never know
Until you trust your god
To deliver.

The Magic of Forgiveness
(it's not really magic, but God's Love)

Have you ever had
A former terrorist
Ask forgiveness
Today?

God and man

(creation magic)

Quickly,
Realizing His mistake
As Mother's day
Was only moments away
And we had no mothers,
He reached
In to His bag of tricks
(Adam)
And removed
The nearness of his heart
For the Love of his life.

Schoolgirls

(of Nigeria)

Hold a calm and peaceful heart_____

God sees your heart of hearts
And knows where your heart resides.

Islam cannot convert such a heart

Against its will____or words

And God will not

Accept the word of thugs

And killers____

Terrorist will meet their creator

One day

And he alone

Will speak that day

And judgement will be the subject.

Boko Haram will listen

And wail

For the Lord God

Of Heaven and earth

Will judge justly

That day.

A War for the Ages

(not Armageddon!)

Soon we will see

A strange cleansing

Of the earth____

One third will die,

Those left

Will only wonder why.

The answer is____

Many religions will survive,

One will not____

The reason is simple____

God will be God,

All others man

And woman____

Admittedly, the lesser

Of two evils.

The Many Faces

(of hamas)

The face of evil

Is death itself_____

For now you live

But death awaits.

Your misstep_____

You have one hope,

“Green Lady of the Harbor”

Jfrancis

Green Lady of the Harbor

She stands frozen

Torch-a-light

For the nations.

Refuge_____

For bleeding souls

And restless feet.

This is God's doing____
Don't mess with him
Or His people____
Fall on your knees,
Beg for mercy and salvation.
He is real freedom
And eternal life.

~Children of Gaza~

God is no respecter of persons____
Die in Gaza
As a child____
Covered by the blood
Of Jesus Christ,
A resident of Heaven____
Now and forever.
Respectfully.

Condolences to Netherlands

Dutch Remains With Us

The names scroll

Across fields

Of sorrow and pain

Where sunflowers wave

And grass gives up

Its human treasure_____

Love awaits

A world away

And hearts gather

Memories to hold

For a lifetime

Of loneliness

Without life.

Condolences.

Hamas:

(selling death to palestinians)

No one wants to die_____

In a normal world.

You must offer something more,

Something like_____

Dying for god,

Something larger than 'life'.

Dying for god is sacred_____,

Earns a place in paradise,

So the Iman says,

A place where reason

Does not exist,

Only passion.

Death Was My Day

(one quick moment)

Traveling eighty mile per hour

(motor cycles can go much faster)

Mom and Dad have no idea

 Their child

Is so close to death____

 This young man

On the handle bars

Will never die____

 In his own mind,

Yet the beauty behind him

Is so close to death now

It frightened even me

 As they flew low

 To the earth

Looking for a place

 To die

 This fine summer day

When Mom and Dad's hearts

 Would have died

If they only knew____

How close to heaven

 Their angel flew!

**The Years Are Few
(and lean)**

The whole world
Is suddenly in turmoil_____
Dreaming of blood
As the entire middle east
Lusts_____
After the sands of Israel.
Time tells the astute
We are short
Of what was once
Plenty_____
Wake up world,
We have precious few
Of these years
To squander,
Less we find ourselves

At Armageddon's gate____

And Heaven or Hell.

Of Love and Abortion

Baby girls and Love

The soft tenderness

Not equaled in any manner

By the male gender

Please____

Don't abort

The future Love

Of someone's life,

Because____

Me and You

Love is

A heartbeat
That stops
The setting sun
In its tracks____
And starts yours
Racing
Toward the distant night
Of wedding vows
And eternal bliss
With unbelievable joy
On a day
The stars will mark
In the heavens
For you and me.
Forever_____.

Jfrancis

The Battle

Is not yours

Is not mine____
The battlefield
As always
Remains the heart
Where armament
Is massive
And permanent
And His to direct,
Ours to follow
To the end
When
The reward
Will equal
The battle.

~Rolling the Dice~

The whole world knows
What God knows.

Marriage____

One man/one woman

Till death do us part

Nothing more or less

Will satisfy____

He

Who created

Man

Woman

Marriage

Heaven and Hell.

The choice is yours

To live or die.

Children of War

(gaza)

Amid the rubble

Where lies needed waste

Turned useless
Into essence of hatred
Boiled to its liqueur
In the cauldron
Called Hamas____
They live
In waiting lines
To become
Their parent's
Image,
While smiles
Define their hearts
For now.

~~Mercy~~

(for their souls)
Faces of death and hell
Cheer and welcome

The Hamas murderer____

As Heaven greets

Chaya Zisel Braun

Through portals

Of Heaven itself____

In the presence

Of Angels and redeemed

Where our Lord reigns

Over final days

Of Earth's final hours

Before the return

Of His elect,

To judge the earth

And those sinners

Who remain.

Mercy still.

A Quarter of Midnight

The death throes
Of this world
Stand before us____
Hell is overflowing
With souls
Of secular and religious____
Dead at the hands
Of Muslim murderers
Who kill both
In the name of god____
While they themselves
Stand convicted
Before the judgement seat
Of heaven almighty
For their
Unpardonable sins____.
It is a quarter of midnight____,
Where is your heart?

The real meaning of Christmas

The real meaning of Christmas

Lies buried

Deep within

The pages

Of life_____

Where seldom

We wander

Near truth

That confounds the heart

Sufficiently

We may

Concern ourselves

With the eternal destiny

Of our soul_____.

Jfrancis

Answer the Difference

Red____Skin

A creation

By God's own hand

Through a miracle

Of language and love

That all people have

And share

From one tint

To another____

Let those

Who disagree

Answer the difference

And let the law

Be the law.

Death of Islam

(self destruction)

The focus of true religion

Is Jehovah God_____.

We are His disciples,

Not His warriors

To kill those

Who displease us.

Jehovah God is author

And finisher of life.

His is the right

To chasten those

Who go astray

And end lives

Of those who wander

Into the wilderness

Of evil.

Satan's Magnificent Inspiration

Nevermore has God allowed
Satan such liberty____
To manufacture such a lie
For an imagined tale
That only exist
From the mind
Of that evil one____
To dupe a third
Of this world
And slay those
Who buy the tale
As truth____.
